

ALDENALLI

Limerick Lane is a thirty-acre estate located in the far northeastern corner of the Russian River Valley. Dan has been in love with this vineyard since first tasting the wines in the late 1980s. Since 2015, we have been lucky enough to procure just a couple of tons per year from our friends and Limerick Lane proprietors Jake and Alexis Bilbro. We believe that this is one of the finest Zinfandel vineyards in the world. The 2017 version is exemplary. Medium bodied with racy acidity, this Zinfandel is a Pinot Noir lover's dream.
