

ALDENALLI

A cuvéé of three distinct cool-climate vineyards, the 2017 AldenAlli Sonoma Coast Pinot Noir offers more than the sum of its parts. Coastal Campbell Ranch vineyard provides elegance, brightness and acidity, complimented by the structure, medium-body and spice characteristics of Gap's Crown and Sunchase Vineyard in the Petaluma Wind Gap. The Sonoma Coast Pinot Noir is the cornerstone of our winemaking program, and the 2017 vintage showcases the reward of vineyard selection in cool growing climates.
