

# ALDENALLI

The AldenAlli 2019 Chardonnay was sourced from Sierra Madre Vineyard, located in Northern Santa Barbara County near the western edge of the Santa Maria Valley. First planted in 1971, Sierra Madre Vineyard has long been recognized as one of California's finest cool-climate vineyards.

This wine is lively, invigorating and bright. Pale straw in color, the nose invites delicate scents of fresh lemon curd. The nuanced palate balances bright tropical fruit and Meyer lemon citrus flavors, with slight pineapple notes and refreshing minerality.
