

# ALDENALLI

We are proud to offer our second release of Rose of Pinot Noir, which builds on the foundation of the 2019 vintage. Light pink in color and elegant in the glass, the nose hits with watermelon, white peach, and hints of wet stone. Refreshing, lively and delicious on the palate, light strawberry, crane melon and honeysuckle emerge. The wine finishes clean and dry with firm, crisp acidity. Great with light fare or on its own on a spring afternoon.
